

英語-閩南語翻譯者招募（遠程工作）

Appen

We imagine a world in which AI augments human communication. We believe that the AI of the future needs to be inclusive and empowering of everyone – regardless of language, dialect, accent or mode of communication. When you work on our projects, you are helping develop responsible, unbiased AI. Our team’s mission is to deliver the best data solutions and expertise to developers of AI for communication, driven by our passion for innovation and our love of languages.

Project Details

- Your task is to produce highly accurate English to Min Nan (Chinese) translations. We will provide you with Guidelines for our translation requirements.
- Translation rate: USD 0.14 per word (approximately TWD 3.97 per word)
- Quality Assurance rate: USD 0.07 per word (approximately TWD 1.98 per word)
- Volume: estimated 400,000 words
- Domain: General (Ted Talks)

Requirements:

- You must have previous translation experience to work on this project. Qualifications and experience will be assessed on application.
- You must be able to write in Taiwanese using both han (traditional Chinese) characters and Peh-ōe-jī.
- Stable internet connection.
- Strong attention to detail.

Preferred Minimum Availability

- 20 hours per week

If you are interested in working as an independent contractor for [Appen](#), please sign up at <https://connect.appen.com/grp/core/sign-up>. If interested in this translation project, please send your English resume/CV to our recruiting specialist Shaine Nazario (sabarquez@appen.com) and program manager Philip Dewelle (pdwelle@appen.com).
